

Home and Water Heating Program
Electric Water Heaters
Efficiency: EF ≥ .93
Qualifying Products List
April 8, 2013

ELECTRIC WATER HEATERS - \$25 REWARD

- This Focus on Energy reward is limited to customers of participating electric utilities who do not have access to natural gas service in their home. Focus on Energy will verify that natural gas service is not available to the customer before the reward is processed.
- Water heater must have an Energy Factor (EF) of 0.93 or greater.
- Water heater must be a tank-type water heater. Electric tankless water heaters are not eligible for this reward.

The following models have been verified as eligible for this reward by the Focus on Energy Home and Water Heating Program. Additional requirements apply. Please visit the Residential Rewards page for complete details and to verify eligibility.

Electric Water Heaters
